EXPERIENCE

Member Advisory Planning Commission, Town of Sidney 2012-2017 (volunteer)

Distinguished Research Fellow, Past Board and Executive Member, The Parkland Institute, University of Alberta, 1-12 Humanities Centre, Edmonton, Alberta T6G 2E5

University of Lethbridge, 4401 University Drive W. Lethbridge AB T1K 3M4
Assistant Dean, Undergraduate Programs (retired) August 2004 to December 2006
Faculty of Management, University of Lethbridge

Manage undergraduate programs on three campuses: Calgary, Edmonton, & Lethbridge through three reports: campus directors in Calgary and Edmonton and director of student program services in Lethbridge. Responsible for timetabling, sessional recruitment and development, student appeals, student and faculty orientations, course and instructor evaluations, and curriculum development. Chair and serve as a member of very many Faculty and University-wide committees.

University of Calgary, 2500 University Drive NW Calgary, AB T2N 1N4
Sessional Lecturer September 2003 to May 2004
Department of Economics, teach a senior course in public finance—Economics 355
Technical Consultant Student Information System St. Mary's College, Calgary, Alberta

St. Mary's University College, 14500 Bannister Road SE, Calgary, AB T2X 1Z4
Dean of Studies June 1, 1998 to June 30, 2002

Managed Academic and Student Affairs, developed degree program proposal for PCAB Alberta Learning, supervised course and curriculum development, set timetable and faculty workload. *Registrar*, developed student information system, managed all records, completed course transfer agreements, contact for ACAT, supervised recruitment and student services. Additionally, managed *Information, Communications, and Technology*, developed the computer systems, website, telephone systems, and media materials. Reporting to the president, advised and consulted on program development and implementation, hiring, and etc.; Budget manager for all three areas of responsibility; Member of the Executive Committee; Resource person to the Board of Governors; and Member of the Site Planning Committee, significantly contributing to the design, renovation, and construction of facilities.

Mount Royal College, Calgary, Alberta, T3E 6K6
Department of Economics and Political Science
Instructor August 1982 to June 1998
Chairman August 1985 to August 1988
Coordinator, Economics August 1984/85 and 1997/98

Areas of expertise and courses taught: microeconomics, macroeconomics, environmental economics, public finance, and political economy. As Chair, administered the department comprised of ten full-time instructors, 12 part-time instructors, and two support staff serving two thousand students per year; Developed, had approved, and initiated the implementation of a five-year expansion plan for the Department; established two-year university transfer programs in both disciplines and initiated

the groundwork for a program in Political Economy/Policy Studies. As Instructor and Discipline Coordinator, developed and implemented computer managed learning systems for all students studying economics. Most recently, in 1998, seconded for one term to redevelop the economics computer lab including implementing version 3.1 of TLM, redeveloping the Department's, own and other colleagues' courseware and designing the physical and hardware components layout of the lab.

Grant MacEwan College, Edmonton, Alberta

Instructor

August 1980 to August 1982

Initially the only economics instructor serving three campuses and teaching all fields covered. Expanded the demand and offerings for economics and hired many part-time instructors.

Lethbridge Community College, Lethbridge, Alberta

Instructor

August 1977 to May 1978

Full-time term-certain position in the Business Department teaching introductory economics as well as environmental economics in the Environmental Program.

York University, Toronto, Ontario

Graduate Teaching Assistant

Academic Years 1976/77 and 1978/79

Continuing Education and Practice

Participated in immersion courses and seminars on teaching development, practice, and communication and attended numerous conferences and workshops; Presented many workshops on writing course objectives and objective test questions. Member of the Canadian Economic Association; Founding (drafted the constitution) and continuing member of the Board of Directors and Executive of Parkland Institute, U of A. Doctoral research seminar 2001/02, EDER 700 U of C.

Collegial Governance

President of Mount Royal Faculty Association 1992-94; Treasurer and Vice-President of both the GMCC and MRC faculty associations and a member of both associations negotiating committees. As chairman of the Steering Committee for the Alberta Association of College Faculty (AACF), developed the constitution and founded the Alberta College-Institutes Faculties Association (ACIFA), 1985. I have been a productive member of a very large number of committees at the many institutions and across institutions (list provided on request).

Computer Experience

Experienced with many computer systems: Apple Macintosh, IBM-PC, Digital (Vax); Operating systems: VMS, DOS, Windows 98/2000/XP; Software: Office Professional 2000/XP, and various other spreadsheet, word processing, graphics, and database software, including TEX/Latex; Proficient in *Shazam*, econometric and statistics program for economists. Have extensively used courseware development tools: Campus America (LMS, LMX, & TLM), Authorware *Professional*, etc.; Delivered numerous presentations on the use of computer technology in education; and have developed and implemented computer managed learning (CML) courses for the department at MRC. Planned and implemented economics upgraded computer lab full-time at MRC in fall 1998, including the physical layout and development of courseware for economics courses; Managed the computer resources at St. Mary's University College, including the servers, website, computer labs, and administrative and educational software and developed the Student Information System.

Public Service

Served on North Glenmore Park Community Association executive for many years. Member of the Citizen's Participation Advisory Committee (CPAC) for the City of Calgary, redevelopment of Garrison Woods from the PMQ, Canadian Forces Base Calgary lands (180 acres). Member of Citizen's Advisory Roundtable (CAR) for the City of Calgary master plan for CFB Calgary lands west of Crowchild Trail (440 acres). These plans have won many local and international awards.
